

Online-Training BASIC TRAINING COURSE FOR INTERNATIONAL YOUTH WORK

*For Beginners and
advanced practitioners*

Application
Deadline: 11th of
July 2021

You want to get involved in international youth work but you don't know where to start? International projects are challenging, no question, but they are even more rewarding!

The program of this basic course will give you an introduction into the planning, organization and implementation of international youth projects. We will address issues around funding, program development and project management. Furthermore, participants will attain a self-critical attitude towards their exchange practice and be sensitized for concepts around diversity and interculturality.

The training serves as a starting point and a framework for networking and developing own international projects.
